

The list of Course Request by Department appears.  
 Click on Edit to view the Courses available and to request the course check it's box.  
 Click Save and the window will close allowing you to select another request.  
 If you decide you do not want to request a course select Edit again and uncheck the box and Save again.  
 If you have multiple children to schedule, click Change Student in the top right corner.

- Use *CASD Middle School Course Selection Guide* Located on your middle school's website.
