Dear Parents and Guardians,

Your son/daughter is being offered an opportunity to participate in an ongoing group and/or individual counseling support (e.g. decision management, coping skills, academic success and socialization). The purpose of the group is to equip students with certain life skills that could have a positive impact on classroom behavior and school performance.

Meetings will be held at school one period per week or more, based on the need of the student. However, your child's academics will take priority over group attendance. The school is pleased that your child expressed an interest in this support group program. However, we require parental permission for your child to participate. We have provided a permission form below. Please complete the form and return it to your son/daughter's home room teacher

Please feel free to contact guidance at 610-383-3745 ext. 4 or 6 if you have any questions.

Sincerely,

Lauren Hallinan  
Guidance Counselor 6<sup>th</sup> Grade/7<sup>th</sup> Grade: Names A-M
