NAVIANCE
www.naviance.com

- Available to students in grades 8-12

- Students have their own individual accounts

- Students will be assigned individual login information in the beginning of the school year.

- The Naviance account will also be used to track Pennsylvania Chapter 339 required exploration of Career and Future Readiness

NAVIANCE

Get involved in the planning and advising process – Build a resume, complete online surveys, search and complete scholarship applications, and manage timelines and deadlines for making decisions about college and careers

Research colleges – Compare GPA, standardized test scores, and other statistics. Go on virtual tours of schools. View all the college campus details including demographics, tuition, housing, degree programs, and acceptance criteria.

Naviance Student – a mobile-friendly, comprehensive website that you and your student can use to make plans about colleges and careers.

Research careers – Research hundreds of careers and career clusters, and take career assessments

Naviance Student also lets us share information with you and your student about upcoming meetings and events, local scholarship opportunities, and other resources for college and career information. To visit our school's Naviance Student site, use an Internet browser to connect to: http://student.naviance.com/schoolname
* Contact your student's guidance counnselor if you need log on information.

DCCC DUAL ENROLLMENT PROGRAM

- Open to Coatesville HS students in Grades 10 through 12
  - Students can register and earn up to 60+ credits (Associates Degree) if they start in their 10th grade year.
  - Associate Degree completion requires students to take courses in the Summer sessions, which are not paid for by CASD.
  - Students will receive the reduced rate to attend these courses.
- Dual Enrollment Application Process
  - Student submits DCCC application, Dual Enrollment agreement form and high school transcript to DCCC for review (application fee is waived!)
    - Applications are available online through the Delaware Community College Website
  - Accuplacer test administered
    - Testing will be scheduled through CASH – dates TBD
  - The ability of the program depends on grades, GPA, attendance, and the Accuplacer exam (more information will be shared during the breakout session).
